Library Card:

Anyone may apply for a Vermilion Parish Library Card. Your first library card is free. Proof of identification (valid), address, a valid phone number and a reference are required.

Vermilion Parish library users' first card is free; afterwards there is a \$1.00 charge per card for the next five (5) replacement cards. After five replacement cards, cards will cost \$3.00 per card.

Parents must sign for children and assume responsibility for the items the child checks out. Library cards should be treated as credit cards. They should be carried with you at all times and reported missing at once if lost or stolen.

Patrons assume responsibility for all use of their card.

Library cards must be renewed every three years by providing current address and telephone number.

Library cards free of fines are required for computer use.

Patrons found to be using multiple names in order to obtain multiple cards will not be allowed to obtain a card and use of library resources will be blocked/denied.

A duplicate card will not be issued to a patron until all fines are paid on the previous card.

- **Children:** Children from birth to age 14 are issued their own library cards. A child's parent, grandparent or legal guardian must apply for the card. No one other than the parent, step-parent, grandparent or legal guardian can make the application. Proof of guardian may be required.
 - **Children birth-age 14** needs parental signature to obtain a library card.
- **Adults:** Individuals age 15 and older may obtain a library card on their own recognizance. Proof of current address, a valid phone number and a reference are required. Application for the card must be made in person.
