## Minor Patron Materials Restriction Form

The Vermilion Parish Library as an institution, nor the staff as individuals, does not and cannot act in place of the parent or legal guardian in the selection of library materials for minors visiting the library. This is referred to as *in loco parentis*. It is up to the parent or legal guardian of minor library card holders to set the guidelines and instruct their children as to the limits of what is acceptable to read and study for that individual.

So that the library to provide caregivers with additional tools to make the best and most informed decisions for their minor children, all responsible parties for Children, Tween, and Teen cards must fill out and sign a Materials Restriction Form to set their desired check-out level for Library collections and electronic resources. This form will determine what the minor patron is allowed to check out from our circulation including print and digital materials.

A new Materials Restriction Form must be filled out to change their minor child's access level upon request or whenever a child moves from the Children's card age range to Tween or Teen.
